**Artist SaySay.love has collaborated with influential fashion designer Jacques LaGrange to create something truly unique.**

The prestigious couture designer has won numerous awards since the late 1990's, including but not limited to the Young Designer of the Year award, and Most Elegant Couple award at the Sun Met.

His work has been featured extensively on international TV shows such as *Top Billing*, *Expresso* and *One* to list a few.

Pairing up with photographer and visual activist, SaySay.love, LaGrange has created dresses that blend fine art and fashion into one high-end walking art piece.

The pieces are crafted from SaySay.love's works – original artworks printed onto fabric to create unique
